

# Monica Alexander

monicaalexander.com  
monica.alexander@utoronto.ca

## Academic Appointments

### University of Toronto

*Associate Professor* (with tenure), Statistical Sciences and Sociology July 2024 – *current*  
*Assistant Professor*, Statistical Sciences and Sociology July 2018 – June 2024  
(Maternity leave: April 2019 – December 2019, June 2021 – December 2021)

## Education

Ph.D (Demography), **University of California, Berkeley**, 2018.

*Dissertation:* Bayesian Methods for Mortality Estimation.

*Committee:* Josh Goldstein (chair); Ken Wachter; Dennis Feehan; Jas Sekhon.

M.Arts (Statistics), **University of California, Berkeley**, 2015.

M.Social Research (Demography), **Australian National University**, 2013.

B.Science (First Class Honors) (Maths and Chemistry), **University of Tasmania**, 2008.

## Professional Appointments

*Member, Technical Advisory Group*

**UN Interagency Group for Child Mortality Estimation**

*Affiliate Member*

**Leverhulme Centre for Demographic Science, University of Oxford**

*Member, Advisory Committee on Demographic Statistics and Studies*

**Statistics Canada**

## Papers

(\*) denotes student/trainee author

(+) denotes equal contribution

(#) denotes senior authorship

### *Peer-reviewed articles*

Badolato, L., Decter-Frain, A., Irons, N.J., Miranda, M.L., Walk, E., Zhalieva, E., **Alexander, M.**, Basellini, U. and Zagheni, E., 2026. ‘The Limits of Predicting Individual-Level Longevity: Insights From the US Health and Retirement Study’. *Demography*, p.12464628, doi: 10.1215/00703370-12464628.

Ji, Y.(\*), **Alexander, M.**, and Craiu, R.V., 2025. ‘Contributed Discussion of “Model Uncertainty and Missing Data: An Objective Bayesian Perspective”’. *Bayesian Analysis*, 20(4), 1732-1735.

Potter, A. L., Schluter, B. S.(\*), **Alexander, M.**, Yang, C. F. J., & Kiang, M. V. 2025. ‘Youths Experiencing Parental Death Due to Cancer’. *JAMA Network Open*, 8(7), e2519106-e2519106.

Cresswell, J.A., **Alexander, M.**, Chong, M.Y.C.(\*), Link, H.M., Pejchinovska, M.(\*), Gazeley, U., Ahmed, S.M., Chou, D., Moller, A.B., Simpson, D. and Alkema, L., et al. ‘Global and regional causes of maternal deaths 2009–20: a WHO systematic analysis.’ *The Lancet Global Health*, 2025. doi: 10.1016/S2214-109X(24)00560-6

Dharamshi, A.(\*), **Alexander, M.**, Winant, C. and Barbieri, M. ‘Jointly Estimating Sub-national Mortality for Multiple Populations’. *Demographic Research*, 2025. doi: 10.4054/Dem-Res.2025.52.3.

Chong, M. Y.C.(\*), Pejchinovska, M.(\*), and **Alexander, M.**, ‘Estimating causes of maternal death in data-sparse contexts’. *Statistics in Medicine*, 2024. doi:10.1002/sim.10199.

**Alexander, M.** and Raftery, A.E., ‘Developing and implementing the UN’s probabilistic population projections as a milestone for Bayesian demography: An interview with Adrian Raftery.’ *Demographic Research*, 2024. 51, pp.1-16.

Kiang M.V. and **Alexander, M.** ‘Invited commentary: Motivating better methods — and better data collection — for measuring prevalence of drug misuse’, *American Journal of Epidemiology*. 2024. doi: 10.1093/aje/kwae156.

Schlüter, B. S.(\*), Alburez-Gutierrez, D., Bibbins-Domingo, K., **Alexander, M.(#)(+)**, and Kiang, M. V.(#)(+) ‘Youth experiencing parental death due to drug poisoning and firearm violence in the US, 1999-2020’. *Journal of the American Medical Association (JAMA)*, 2024, doi:10.1001/jama.2024.8391.

Chong, M.(\*), and **Alexander, M.** ‘Estimating the timing of stillbirths in countries worldwide using a Bayesian hierarchical penalized splines regression model.’ *Journal of the Royal Statistical Society Series C*, 2024,doi:10.1093/jrssc/qlae017.

Katz, L.(\*), Chong, M.(\*), and **Alexander, M.**, ‘Measuring short-term mobility patterns in North America using Facebook Advertising data, with an application to adjusting Covid-19 mortality rates’. *Demographic Research*, 2024, 50(10): 291–324.

Yeung, J.(\*), **Alexander, M.**, and Riffe, T. ‘Bayesian implementation of Rogers-Castro model migration schedules: An alternative technique for parameter estimation’. *Demographic Research*, 2023, 49(42): 1201-1228.

### Grants awarded

Principal Investigator:

**Data Sciences Institute**  
**Data Access Grant**  
 CAD \$10,000

2025-2026

<b>Institutional Strategic Initiatives</b>	2025
<b>Stage 1 Grant: Toronto Population Network</b>	
CAD \$70,000	
<b>Social Sciences and Humanities Research Council</b>	2023–2025
<b>Insight Grant</b>	
<i>Deficits of migration in the age of Covid-19</i>	
CAD \$60,000	
<b>Data Sciences Institute, University of Toronto</b>	2023-2024
<b>Catalyst Grant</b>	
<i>Inequality in childcare: The case of nannies in Canada. (co-PI)</i>	
CAD \$100,000	
<b>Data Sciences Institute, University of Toronto</b>	2023-2024
<b>Computational and Quantitative Social Sciences Grant</b>	
<i>Deficits of migration in the age of Covid-19: A new approach to studying changing migration patterns.</i>	
CAD \$10,000	
<b>School of Cities, University of Toronto</b>	2021-2022
<b>Urban Challenge Grant</b>	
<i>Disparities in climate-induced health outcomes in the Greater Toronto Area. (co-PI)</i>	
CAD \$75,000	
<b>Data Sciences Institute</b>	2021-2022
<b>Data Access Grant</b>	
<i>To purchase data for research on disparities in climate-induced health outcomes in the Greater Toronto Area. (co-PI)</i>	
CAD \$10,000	
<b>Social Sciences and Humanities Research Council</b>	2019–2023
<b>Insight Development Grant</b>	
<i>Using Facebook data to measure and understand international migration patterns in Canada</i>	
CAD \$59,000	
<b>University of Toronto Connaught New Researcher Award</b>	2019–2021
CAD \$18,900	

Partner Investigator:

<b>National Science Foundation</b>	2024–2027
<i>The United States Fertility Database: Understanding and Monitoring Changes in Local Fertility Patterns</i>	
<b>Australian Research Council</b>	2019–2022
<b>Discovery Project Grant</b>	
<i>Developing Robust Small Area Population Forecasts for Planning and Policy</i>	

## Teaching

<b>University of Toronto</b>	
Special Topics in Applied Statistics (graduate, statistics)	Winter, 2026
Demographic Methods (graduate, statistics and sociology)	Winter, 2019, 2026
Applied Statistics II (graduate, statistics)	Winter, 2020–2024
Statistics for sociologists (graduate, sociology)	Winter, 2023

Intermediate data analysis (graduate, sociology) Winter, 2021, 2022, 2024  
 Intermediate quantitative methods (undergraduate, sociology) Fall 2020, Winter 2023

### **University of California, Berkeley**

*Instructor*, Formal Demography Workshop June, 2017  
*Instructor*, Formal Demography Workshop August, 2015  
*Graduate Student Instructor*, Demographic Methods Fall Semester, 2014

### **Other**

*Instructor*, *Code Horizons* 2023–  
 Designed and taught workshop on non-traditional data sources in demography April 2022  
 Materials: <https://mjalexander.github.io/demopop-workshop/>  
 Designed and taught workshop on social media in demographic research April 2021  
 Materials: [https://mjalexander.github.io/social\\_media\\_workshop/](https://mjalexander.github.io/social_media_workshop/)

## Conference presentations and invited talks

Listed for the past five years.

### **2025**

**Accounting for dependencies in fertility and mortality**  
 IUSSP International Population Conference (July)

**A Bayesian parametric model to estimate male fertility**  
 Population Association of America (PAA) Annual Meeting (April)

**Estimating historical mortality rates using crowd-sourced online geographies**  
 Biostatistics Seminar, Wake Forest University (May)

**Measuring and understanding inequalities in parental loss**  
 Sociology Seminar, University of Oxford (March)

**Estimating historical mortality rates using crowd-sourced online geographies**  
 Statistics Seminar, Imperial College (January)

### **2024**

**Estimating childlessness by age: a Bayesian parametric approach**  
 Bayesian Methods for the Social Sciences Workshop, University of Amsterdam (October)

**Estimating cause of death in data-sparse contexts: recent progress and future challenges**  
 CARONTE workshop on advances in causes of death modelling, University of Padova (July)

**Estimating stillbirth rates by timing**  
 International Association of Official Statistics (IAOS) - International Statistical Institute (ISI) Meeting (May)

**Balancing different information sources and modeling decisions in the Bayesian estimation of demographic quantities**  
 Population Association of America (PAA) Annual Meeting (April)

## 2023

**Balancing different information sources and modeling decisions in the Bayesian estimation of demographic quantities**

British Society of Population Studies (BSPS) Annual Meeting (September)

**A Bayesian framework to account for misclassification error and uncertainty in the estimation of abortion incidence**

American Sociological Association (ASA) Annual Meeting (August)

**Using social media data to estimate migration**

Joint Statistical Meetings (JSM) (July)

**Estimating stillbirth rates by timing**

International Statistical Institute (ISI) World Statistics Congress (July)

**Bayesian demography: a brief history, recent applications, and future directions**Statistics Seminar Series, *University of Washington* (April)**Racial disparities in fetal and infant outcomes: a multiple decrement lifetable approach**

Population Association of America (PAA) Annual Meeting (April)

**Racial disparities in fetal and infant outcomes: insights from, and for, formal demography**Demography Seminar Series, *Australian National University* (June)Nuffield Sociology Seminar Series, *Oxford University* (March)

## 2022

**Estimating stillbirth rates by timing**

Institute of Mathematical Statistics (IMS) International Conference on Statistics and Data Science (December)

**Competing Effects on the Average Age of Infant Death: Reconsidering the Approximation of  ${}_1a_0$** Social Statistics Seminar, *University of Manchester* (November)**Racial disparities in infant outcomes: insights from, and for, formal demography**Social Demography Seminar, *Harvard University* (November)**Jointly estimating subnational mortality for multiple populations**

Bayesian Methods for the Social Sciences Workshop (October)

Stellar Stats Workshop, *University of Toronto* (May)**Future Projections of State-Level Foster Care Populations in the United States**

PAA Annual Meeting (April)

**Reproducibility in Demography**Toronto Workshop on Reproducibility, *University of Toronto* (February)**Bayesian models and reconciling incomplete demographic data**Demography Seminar, *University of Wisconsin Madison* (February)

## 2021

**The future of data-driven demographic research** (Panel member)  
Max Planck Institute for Demographic Research 25th Anniversary (October)

**A Bayesian cohort component projection model for estimating subnational populations**

Demography Seminar Series, *Australian National University* (May)

Centre for Population Change Seminar Series, *University of Southampton* (April)

Population Center Brown Bag, *Florida State University* (February)

Space Time Applied Bayesian (STAB) Working Group, *University of Washington* (February)

**Overcoming barriers to sharing code**

Toronto Workshop on Reproducibility, *University of Toronto* (February)

**Using social media data to estimate migration**

Mathematics and Statistics Seminar, *Maynooth University* (February)

## Software

Author, *rcbayes*, R package to estimate and visualize Rogers-Castro migration schedules in Bayesian framework.

<https://cran.uib.no/web/packages/rcbayes/>

Contributor, *DemoTools*. R package for demographic analysis.

<https://timriffe.github.io/DemoTools/>

## Honors

**IUSSP Early Career Award (North American region)** 2025

**Nuffield College Visitorship, University of Oxford** 2025

**Max Planck Sabbatical Award** 2021-2023

**Doctoral Completion Fellowship** (*UC Berkeley*) 2017-2018

**Elizabeth Scott Memorial Award** (*UC Berkeley*) 2015

Statistics MA student showing the most promise in statistical research.

**Regents-Intern Fellowship** (*UC Berkeley*) 2013-2015

**Lado Ruzicka Prize in Social Research** (*Australian National University*) 2013

Awarded to the most outstanding Master of Social Research candidate.

**W.D. Borrie Prize** (*National essay competition, Masters category*) 2012

For best student paper on a population-related topic.

**University Medal** (*University of Tasmania*) 2008

One of three awarded to the most outstanding Science and Technology undergraduates.

**Edith Rita Lowenstern Prize** (*University of Tasmania*) 2008

Awarded to the most outstanding mathematics honors student.

## Previous Professional Experience

<b>UN Interagency Group on Stateless Populations Estimation</b> <i>Lead statistical consultant</i>	January 2021 – June 2022
<b>World Health Organization Group on Estimation of Causes of Maternal Mortality</b> <i>Lead statistical consultant</i>	January 2019 – December 2020
<b>World Health Organization</b> <i>Consultant</i>	September 2016 – June 2017
<b>Data Science for Social Good</b> <i>Fellow</i>	May 2016 – September 2016
<b>Human Mortality Database</b> <i>Graduate Student Researcher</i>	January 2015 – May 2016
<b>UNICEF Technical Advisory Group</b> <i>Consultant</i>	March 2014 – July 2015
<b>The Centre for Aboriginal Economic Policy Research</b> <i>Research Officer</i>	April 2012 – December 2014
<b>Reserve Bank of Australia</b> <i>Analyst/Senior Analyst</i>	February 2010 – June 2013

## Service

### *Editorial*

**Editor:** Special Collection on Formal Relationships, *Demographic Research* (with Victor Guerrero)

**Associate Editor:** *Demographic Research*

**Associate Editor:** *Data Science in Science*

**Editorial Board:** *Demography*, *Canadian Studies in Population*

### *University and community*

**Co-founder and lead:** Toronto Population Network

**Treasurer:** *Bayesian Social Sciences Section of ISBA*.

**Panel Member:** *International Union of Scientific Study of Populations panel on Digital Demography*.

**Team Member:** *Consortium on Analytics for Data-Driven Decision-Making (CANd3)*.

**Co-founder and organizer:** Formal Demography Working Group. [https://formaldemography.github.io/working\\_group/](https://formaldemography.github.io/working_group/)

**Co-founder:** *R-Ladies Toronto*

**Women in Demography:** Maintain a list of active scholars: [https://www.monicaalexander.com/women\\_scholars/](https://www.monicaalexander.com/women_scholars/)

## Professional Memberships

**American Sociological Association**

**American Statistical Association**

**International Society for Bayesian Analysis**

**International Statistical Institute**

**International Union for the Scientific Study of Populations**

**Institute of Mathematical Statistics**

**Population Association of America**
